A Time”**

ANNUAL RENEWAL STATEMENT

**Please renew your membership today. Help the MBPSAA
to promote and support the Mound Bayou Public School District
as the Association enters 2009...a new year in the Association’s Second Decade.**

Dear Alum:

As a MBPSAA supporter, you know that our work promoting and supporting the Mound Bayou Public School District carries with it enormous rewards. I must tell you that I am concerned, as I’ve never been before in my tenure as your president, about the need for alumni to be engaged in positive and proactive activities, projects and programs designed to help the District attain Level 5 status and accreditation at all levels, state and national.

The MBPSAA continues to be involved in the historic programs of the Association – for example: scholarship awards, Christmas toy distribution, Teacher Appreciation, Annual Meeting, and Awards Banquet. The MBPSAA seeks to enhance the Mentoring Program at John F. Kennedy Memorial High School. The MBPSAA is involved in some new initiatives – for example: the partnership with the American Literacy Corporation and the sponsorship of the Annual Mississippi Delta Children’s Literacy Festival, “Let’s Talk and Get to Know...”, and Student Sponsorship by community and faith-based organizations. The MBPSAA is a participant in the Mississippi Delta Leaders Empowering Youth Program, a three-year capacity building program funded through the Center for Community and Economic Development at Delta State University.

We need alumni like you as we strive to **MAKE THE DIFFERENCE** for the students in Mound Bayou and Winstonville. Please send your membership dues today. You can also help by remembering to tell family members, classmates and others about the MBPSAA.

Yours in Service,

Elaine Baker

Elaine Baker, Ph.D, MSW, President
